

Legislative Fiscal Bureau Web Site

Information for the Joint Education Appropriations Subcommittee

January 2003

The Legislative Fiscal Bureau web site is designed to provide timely, useful information to legislators, staff and the general public. The site's address is <http://staffweb.legis.state.ia.us/lfb> and can also be accessed from the General Assembly's web site under "Legislative Agencies."

Subcommittee Information

The LFB web site includes links to information on each of the appropriations subcommittees. From the Education Appropriations Subcommittee page, you will be able to find the subcommittee's meeting calendar and agendas, minutes, and handouts for each meeting. Other documents of interest may be found under the "Reports" link. The Subcommittee's main page also includes links to members' web pages, staff e-mail, and web sites for related departments and agencies.

Standing Education Committees

Another section of the web site that will be of interest to the Subcommittee is the standing Education Committees pages. Dwayne Ferguson will be maintaining these pages, where you will find the latest information on school aid, the budget guarantee, and other issues related to standing education appropriations.

LFB Products On-Line

The LFB web site also provides on-line access to most of the LFB's products, including Budget Analysis, Fiscal Notes, Issue Reviews, Fiscal Update, Daily Receipts, the Monthly Revenue Memo, Appropriations Tracking, Fact Book, and the State's salary database.
